Re: Comments on the Draft Final Field Sampling Plan, Remedial Investigation/Feasibility Study, Red Devil Mine, Alaska

Dear Mr. McCrum:

The U.S. Environmental Protection Agency (EPA) received the draft final Field Sampling Plan for the Remedial Investigation/Feasibility Study at the Red Devil Mine on September 20, 2010. EPA's comments on this document are enclosed. These comments have been submitted previously via email on September 17. This represents a formal submittal of these comments for the administrative record.

If there are any concerns regarding these comments, you may contact me at 208/378-5760.

Sincerely,

A handwritten signature in black ink, reading "R. Matthew Wilkening". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
